

RESCUE • PROTECT • ADOPT

SENIORS FOR SENIORS

REDUCED ADOPTION FEE

Shelter animals over 6 years of age will have an adoption fee of \$1 for adopters who are 65 years or older.

BENEFITS OF ADOPTING

According to research, companion animals are able to help improve physical health and mental health.

This can include lower stress levels and lower blood pressure.

Companionship from animals has also been shown to improve an individual's loneliness, offering friendship and closeness of someone who may be missing that in their day-to-day life.

Senior animals are often gentler and calmer, sometimes even trained, making them better for the quiet environment of a senior citizen's home.

For more information regarding our Seniors for Seniors program or set up a meet and greet for one of our animals, please reach out to our adoption counselors.
